## Money Matters

By now, you should have made a first donation towards the band program. This week, a second installment is due as follows:

Total:  
\$100 – Due September 1

This covers:  
\$50 suggested band donation  
\$25 food fee  
\$25 transportation fee

We are also suggesting an additional \$25 towards the planned overnight trip to

Fresno, scheduled for the Weekend of November 8-10<sup>th</sup>.

Thanks for helping us to make this a successful year financially!

Also a huge thank you to all those parents who made a huge difference in working at the concert this past week! It was a long, hard day, but your efforts towards your children are greatly appreciated!

## Overnight Trip

The overnight trip to Fresno will cost us approximately \$150 per student, including two nights in a hotel, food, transportation, as well as a trip to Magic Mountain on Sunday after the competition. This is a reminder that the first payment was due by the end of Band Camp, and we have another payment due Tuesday, September 1<sup>st</sup>.

The vast majority of families have not made any contribution at all towards food or the mandatory transportation fee, much less the cost of the overnight trip. We have to make

a decision about the viability of the overnight trip by September 5<sup>th</sup>. If we not have received a significantly increased amount of contributions towards the trip, then we will most likely cancel the trip. Please let us know if you will need fundraising opportunities, otherwise we assume you are not contributing!

Schedule of Payments:  
Band Camp-\$25
