Overnight Trip Update VIP Card Fundraiser

As of today, Tuesday September 8, we have received only 10% towards our monthly donation goal, much less towards the overnight trip. Unless this changes dramatically, November 7th will no longer be an overnight trip. Please contribute if you can!

We have started a new student fundraiser, as of Friday last week. This fundraiser is for a discount card like the Entertainment Books, but without the local regional focus. Each student has been checked out 10 cards to sell, for \$20 each. The band makes \$10 from each card sold, and this can make a big difference in meeting out financial goals this year!

First Booster Meeting Weather/Air Quality

The first booster meeting of the school year will be held on Thursday, September 10, 2009, at 7 PM in the band room. Please come, as this is your opportunity to have input into your child's band experience, as well as an opportunity to find out how you can contribute towards a successful year!
Thanks

Many of your children have been approaching me with concern about both the extreme heat, as well as Air Quality in relation to the fires in Southern California. Rest assured that the band follows guidance from the district on rehearsal in extreme heat, and will cancel or modify rehearsals as needed.

Air quality is monitored through the website: www.airnow.gov. We are considered in the Metro Riverside CO area. Rehearsals will be modified in response to an "Unhealthy" Status.
