Overnight Trip Cancelled

Due to low donation participation the overnight trip has been cancelled. We are at 75% to goal for food, 9% to goal for student donations, 18% to goal for transportation fees, and 0.32% paid towards the overnight trip. There is no way that the

trip can happen with this level of payment. We'll try to make a trip next year, but it will take both more notice to parents, as well as more payment participation if we are to provide our students with these sorts of opportunities.

First Football Game

The first football game of the year is this Friday! Come out and see a preview of the first movement of the show. Please make sure your child has all necessary shoes, socks, undershirts, and other materials necessary to wear under his or her uniform

for the game. Thanks for your support! A reminder, that your child is not permitted to leave the school, as we will have rehearsal immediately after school, then food will be provided.
